Uttarakhand is famous among tourists for its abundance of natural wonders. Even today, the state holds an untapped potential ready to be utilised. With the introduction of the Uttarakhand Tourism Policy 2030, the state sketches a transformative approach towards recognition at a global level as a myriad tourism hotspot while prioritising sustainable development and inclusive growth.

The main principle of the Uttarakhand Tourism Policy 2030 lies in empowering all stakeholders within the tourism sector, assuring that each contributes to and benefits from Uttarakhand's journey towards evolution. Boosting spiritual tourism in Uttarakhand through Badrinath and Kedarnath

PM Narendra Modi along with Pushkar Singh Dhami, CM, Uttarakhand, visiting Badrinath Dham

The picturesque northern state of Uttarakhand is well-known for its spiritual importance and stunning natural magnificence. Among the various destinations that attract devotees and visitors alike, Badrinath and Kedarnath stand out as embodiments of devotion and serenity. At the vanguard of restoring these consecrated places and utilizing their prospect for spiritual tourism is Prime Minister Narendra Modi, whose relentless dedication and commitment have prompted transformative tasks in Uttarakhand.

Prime Minister Narendra Modi shares a deep-rooted affinity with Uttarakhand, especially Badrinath and Kedarnath, and this is apparent through his multiple visits and visionary endeavours desired to uplift these venerated pilgrimage sites. His spiritual reverence for Baba Kedar, exemplified through periodic visits to Kedarnath Dham, highlights his dedication to the spiritual and cultural legacy of the region. The aspirations of PM Modi are much more than only reverence; he foresees a new individuality for Uttarakhand by promoting Badrinath and Kedarnath Dham to international importance.

The most important aspect of this vision of PM Narendra Modi is the complete reconstruction of Kedarnath Dham, an undertaking close to his heart since the beginning of his tenure as the Prime Minister. The wrecking floods of 2013 initiated a revitalised emphasis on revamping Kedarnath, with PM Modi spearheading measures to assure that the reconstruction showcases brilliance and divinity befitting its essence. From building the statue of Adi Guru Shankaracharya to observing the progress firsthand, PM Modi's hands-on strategy highlights his dedication to maintaining the sanctity of Kedarnath.

Furthermore, strategic endeavours by PM Modi spread beyond Kedarnath to enclose the holistic growth of the

spiritual infrastructure of Uttarakhand. Projects such as the Badrinath Dham Master Plan modelled after the Kashi Vishwanath Corridor, seek to remake Badrinath into a smart spiritual hilltown, portraying the vision of PM Modi for incorporating tradition with modernity. The Delhi-Dehradun Economic Corridor and the Rishikesh-Kamprayag Rail Project additionally highlight his dedication to improving connectivity and accessibility to these holy places.

The result of these endeavours by Prime Minister Modi is discernible, with Uttarakhand seeing a revival in spiritual tourism and pilgrimage footfall. The All Weather Road Project, also known as the Chardham Road Project, seeks to link the four Dhams of Uttarakhand, enabling seamless journeys for devotees and visitors alike. Likewise, the Rishikesh Kamprayag Rail Project, with its enterprising timeline and ingenious technique, vows to improve accessibility to Kedarnath and adjacent areas.

The importance of Kedarnath and Badrinath surpasses spiritual borders, echoing with believers and nature lovers globally. Situated amid the snow-capped peaks of the Himalayas, Kedarnath carries a unique place as one of the 12 Jyotirlingas and an essential visit during the esteemed Chardham Yatra. The reconstruction measures, associated with PM

Modi's focus on maintaining its spiritual significance, have reformed Kedarnath to its one-time glory, drawing pilgrims from across the world.

The recent inauguration of pivotal infrastructure projects by Prime Minister Modi emphasises the continuous renewal measures in Kedarnath. From unveiling the statue of Adi Guru Shankaracharya to inaugurating essential projects like the Saraswati retaining wall and Teerth Purohit houses, the visit of Prime Minister Narendra Modi signifies a revived dedication to promoting the spiritual legacy of Uttarakhand.

"I congratulate the Uttarakhand government on the remarkable progress achieved in the last few years. This has been made possible by sustained policy push and focus on key sectors such as tourism and renewable energy. Alongside, the state has made significant strides in infrastructure development, setting new benchmarks for sustainable growth. Uttarakhand's commitment to harnessing its natural resources and promoting tourism has not only bolstered its economy but also showcased its potential on the global stage. I applaud the state's dedication to inclusive development and look forward to its continued success in the years ahead."

The visit of PM Narendra Modi to Pithoragarh district in October 2023 has memorialised an important landmark in the history of Uttarakhand, along with highlighting the cultural and spiritual richness of the state. The PM's journey included visits to religious sites like Parvati Kund and Adi Kailash Parvat, depicting the deep-rooted spiritual inheritance of the land and emphasizing its positivity for expansion and tourism.

PM Modi initiated his spiritual journey at Parvati Kund, a venerated pilgrimage place enclaved amid the scenic landscapes of Uttarakhand. Attired in traditional local dress, the Prime Minister engaged himself in the spiritual aura, offering devotions with utmost reverence. His participation in the traditions, including playing the power drum and conch shell, demonstrated his respect for the local customs and rituals, resounding with the beliefs

dents, both at Parvati Kund and in the border village of Gunji, echoed his compassion and consideration for their welfare. Engaging with the locals, he listened to their grievances, shared their pleasures, and reaffirmed his government's commitment to their upliftment. This personal touch endeared him to the individuals as well as facilitated a feeling of belonging and solidarity among them.

In addition to the spiritual essence, the visit of PM Modi also had substantial importance for the socio-economic growth of Uttarakhand. The inauguration and laying of the foundation of development projects worth Rs 4,200 crore in Pithoragarh highlighted the government's dedication to infrastructure growth and employment generation in the region. These endeavours are aimed at boosting development, improving connectivity, and enhancing the quality of life for the citizens of Uttarakhand.

Moreover, the historic visit of Prime Minister Modi to Adi Kailash Parvat carries huge importance for the tourism sector of Uttarakhand. Being the first Indian Prime Minister to visit this sacred site, PM Modi has attracted awareness to the area's uncharted prospect as a tourist destination. His exploration of the local art, craft, and products, as well as his arrangement with the Indo-Tibetan trade center in Gunji village, has demonstrated the cultural multiplicity and commercial possibilities of Uttarakhand.

PM Modi's 'Vibrant Village Programme' bolsters Uttarakhand's rural economy

PM Modi's enterprising 'Vibrant Village Programme' has arisen as a silver lining for the isolated border villages, marking a transformative period of comprehensive growth and economic upliftment

Spanning across 19 border regions, including Uttarakhand, the programme strives to revive 3,000 villages over a 10-year-long course. It bears an important goal of preventing migration by furnishing fundamental conveniences and promoting socio-economic sustainability. In the infancy stage of the program, 662 villages with a total population of 1,42,000 are being supported by means of an investment of Rs 4,800 crore.

Focus on infrastructure and connectivity growth is one of the key elements of the Vibrant Village

Programme. The allotment of Rs 2500 crore for building roadways and improving connectivity will give a boost to economic activities in various villages across the country where the geographical landscape constantly poses difficulties. It will foster access to markets, and enhance the overall quality of life for locals.

Along with bolstering the nation's financial stability, the programme also supports the importance of inclusive growth as a cornerstone of India's advancement by prioritising the development of

border villages.

With the launch of the Vibrant Village Programme, the border villages in Uttarakhand and as well as other states will benefit greatly, eventually steering in a fresh phase of endless possibilities for the rural economy while reflecting the spirit of Sabka Saath, Sabka Vikas.

Homestays in Uttarakhand: Bridging tradition with modern travel trends

With the advent of the 'work from anywhere' culture, homestays in Uttarakhand provide an ideal setting for the millennials, as well as an idyllic break to those in their golden years

The Government of Uttarakhand is poised to provide the necessary support to proliferate homestays in all districts of the state with a focus on providing alternative sources of employment to the villagers and preventing migration from the original place of dwelling. At present, there are more than 5,000 homestays registered with Uttarakhand Tourism Development Board. The department provides necessary support in terms of marketing and training to the homestay owners. The Government also provides financial support to Homestay owners through the Deen Dayal Upadhyay Grih-Awas (Homestay) Yojana, through which local residents get financial support in rebuilding/renovating rooms to upgrade them for use by tourists.

Boosting tourism in lesser-known Uttarakhand destinations

The combined initiative by UTDB and IRCTC seeks to highlight the lesser-known treasures of the state

The Uttarakhand Tourism Development Board (UTDB) and Indian Railways Catering and Tourism Corporation (IRCTC) have come to a remarkable understanding to further enhance tourism in the picturesque state of Uttarakhand. This endeavour seeks to highlight the less-known treasures of the state, like Manaskhand, by launching special tourist trains from different regions of the country.

This special tourist train is intended to begin operations in April 2024 and will accommodate up to 500 tourists per journey in Second AC coaches, providing an easy-going travel experience. The tourists will benefit from the numerous extensive excursion packages which will have everything from onboard conveniences to lodging, transportation, and sightseeing, and will be meticulously handled by IRCTC. The endeavour by UTDB and IRCTC seeks to exhibit the vast cuisine of the state during travels, along with generating occupation prospects for residents by giving them an opportunity to work as guides.

With enterprise targets to contribute USD 10 billion yearly to the economy and draw private investment, Uttarakhand seeks to build a sustainable tourism ecosystem. Job prospects and foreign traveller visits are anticipated to grow, firming the state's position as an exclusive destination.

The idea is transparent – establish tourist-friendly infrastructure, develop new destinations, and offer world-class experiences. With a dedication to innovation, sustainability, and inclusivity, Uttarakhand arises as a shining light of reliable tourism, tempting tourists worldwide.

In line with the digital era, Uttarakhand seeks to fulfill growing visitor anticipations through technology integration.

Online platforms will be operated for advertising, bookings, and data dissemination, improving comfort and trust for visitors.

Private sector involvement is promoted, with the government encouraging ease of doing trade for hospitality and tourism undertakings. This combined strategy is anticipated to propel innovation and development.

The Uttarakhand Tourism Policy 2030 also emphasises high-value tourism to minimise adverse effects on the environment and civilisation while spreading benefits to local neighborhoods. The Hub & Spoke model strives for balanced regional growth, improving infrastructure and
