Boosting spiritual tourism in Uttarakhand through Badrinath and Kedarnath

PM Narendra Modi along with Pushkar Singh Dhami, CM, Uttarakhand, visiting Badrinath Dham

PICS: DPP, UTTARAKHAND

The picturesque northern state of Uttarakhand is well-known for its spiritual importance and stunning natural magnificence. Among the various destinations that attract devotees and visitors alike, Badrinath and Kedarnath stand out as embodiments of devotion and serenity. At the vanguard of restoring these consecrated places and utilizing their prospect for spiritual tourism is Prime Minister Narendra Modi, whose relentless dedication and commitment have prompted transformative tasks in Uttarakhand.

Prime Minister Narendra Modi shares a deep-rooted affinity with Uttarakhand, especially Badrinath and Kedarnath, and this is apparent through his multiple visits and visionary endeavours desired to uplift these venerated pilgrimage sites.

His spiritual reverence for Baba Kedar, exemplified through periodic visits to Kedarnath Dham, highlights his dedication to the spiritual and cultural legacy of the region. The aspirations of PM Modi are much more than only reverence; he foresees a new individuality for Uttarakhand by promoting Badrinath and Kedarnath Dham to international importance.

The most important aspect of this vision of PM Narendra Modi is the complete reconstruction of Kedarnath Dham, an undertaking close to his heart since the beginning of his tenure as the Prime Minister.

The wrecking floods of 2013 initiated a revitalised emphasis on revamping Kedarnath, with PM Modi spearheading measures to assure that the reconstruction showcases brilliance and divinity befitting its essence. From building the statue of Adi Guru Shankaracharya to observing the progress first-hand, PM Modi's hands-on strategy highlights his dedication to maintaining the sanctity of Kedarnath.

Furthermore, strategic endeavours by PM Modi spread beyond Kedarnath to enclose the holistic growth of the

spiritual infrastructure of Uttarakhand. Projects such as the Badrinath Dham Master Plan modelled after the Kashi Vishwanath Corridor, seek to remake Badrinath into a smart spiritual hilltown, portraying the vision of PM Modi for incorporating tradition with modernity. The Delhi-Dehradun Economic Corridor and the Rishikesh Karnprayag Rail Project additionally highlight his dedication improving connectivity and accessibility to these holy places.

The result of these endeavours by Prime Minister Modi is discernible, with Uttarakhand seeing a revival in spiritual tourism and pilgrimage footfall. The All Weather Road Project, also known as the Chardham Road Project, seeks to link the four Dhams of Uttarakhand, enabling seamless journeys for devotees and visitors alike.

Likewise, the Rishikesh Karnprayag Rail Project, with its enterprising timeline and ingenious technique, vows to improve accessibility to Kedarnath and adjacent areas.

The importance of Kedarnath and Badrinath surpasses spiritual borders, echoing with believers and nature lovers globally. Situated amid the snow-capped peaks of the Himalayas, Kedarnath carries a unique place as one of the 12 Jyotirlingas and an essential visit during the esteemed Chardham Yatra. The reconstruction measures, associated with PM

Modi's focus on maintaining its spiritual significance, have reformed Kedarnath to its one-time glory, drawing pilgrims from across the world.

The recent inauguration of pivotal infrastructure projects by Prime Minister Modi emphasises the continuous renewal measures in Kedarnath. From unveiling the statue of Adi Guru Shankaracharya to inaugurating essential projects like the Saraswati retaining wall and Teerth Purohit houses, the visit of Prime Minister Narendra Modi signifies a revived dedication to promoting the spiritual legacy of Uttarakhand.

I congratulate the Uttarakhand government on the remarkable progress achieved in the last few years. This has been made possible by sustained policy push and focus on key sectors such as tourism and renewable energy. Alongside, the state has made significant strides in infrastructure development, setting new benchmarks for sustainable growth. Uttarakhand's commitment to harnessing its natural resources and promoting tourism has not only bolstered its economy but also showcased its potential on the global stage. I applaud the state's dedication to inclusive development and look forward to its continued success in the years ahead."

With the advent of the 'work from anywhere' culture, homestays in Uttarakhand provide an ideal setting for the millennials, as well as an idyllic break to those in their golden years

The Government of Uttarakhand is poised to provide the necessary support to proliferate homestays in all districts of the state with a focus on providing alternative sources of employment to the villagers and preventing migration from the original place of dwelling. At present, there are more than 5,000 homestays registered with Uttarakhand Tourism Development Board. The department provides necessary support in terms of marketing and training to the homestay owners. The Government also provides financial support to Homestay owners through the Deen Dayal Upadhyay Grih-Awas (Homestay) Yojana, through which local residents get financial support in rebuilding/renovating rooms to upgrade them for use by tourists.

Homestays in Uttarakhand have also been recognised by the Ministry of Tourism, Government of India. In the year 2022, Sarauli Village in Pithoragarh district was awarded the Best Rural Homestay by the Ministry of Tourism, Government of India. Several initiatives such as the Goat Villages, Sendul Village (Tehri Garhwal), and homestays in the Kumaon region have also won accolades. The Government has realised that with increasing awareness about hygiene and the diverse food habits of travellers, it is essential that the homestays of Uttarakhand constantly upgrade themselves to provide the required services to the tourists. Hence, in addition to developing homestay infrastructure, the Government is also providing training to the local youth in the management and upkeep of these Homestays through professional agencies.
